The Premises:

Flat above a parade of shops approached from the rear

The Lady:

Mid 40s about 5'5" firm body brunette/ dark red dyed hair.

The Story:

This lady advertised in the Ilford Recorder, the flat and it's approach need some work, i.e. a bit run down however she is friendly skilled and has a great body for her mature age.

The pricing is standard for these type of establishments in East London although the 'Greedy Boy' offer at ?100 seems a little over the top and my half hour included OWO and French kissing although this was not a GFE.

Dannie is friendly and skilled for this level of provider, she deserves to be in a nicer location.
