The Story:

A week after my threesome with Laura and Sally, I couldn't resist seeing Sally again. I would have seen Laura too but she suddenly disappeared from the rota.

30 mins with Sally is nowhere near long enough. I could spend hours in her company. She ticks all the boxes for me - not just in a physical and sexual sense but her down-to-earth and chatty nature makes her addictive. You can't help but get along with her and we could chat about pretty much any subject under the sun.

Oh.... and she's sexy as hell too!
