The Premises:

Outside not very good (but who cares its what is inside that counts!)but busy so no one notices you.... Her place high class flat well furnished and finished to her taste, very good shower facilities, high bed, sofa, TV, places to hang your clothes. Really good, much better than usual, and kept tidy :-)

The Lady:

She is oh so tiny! but oh so HOT! and sexy. Body to die for especially if you like Thai girls, skin is so soft, Shakira has great legs! and so much more to offer. Enhanced on top but very well done, tight lovely to hold and suck.

The Story:

I actually booked via her Indie site (just google her name and place etc).. Greeted at the common doorway as someone had locked the door fully! she was wearing a coat, short dress underneath and no underwear! Greated like an old friend but in reality my first time. So enthusiastic to see me etc. Offered a drink then on to undressing me for the bath. She stripped off and Wow! ... I had asked whe wears stockings etc - and she had these all ready to get dressed up in after the bath. She looks soooo stunning in her stockings, bra and G string panties (better than her photos which show her as quite harsh) immediately fell to her knees for a bit of OWO, then on to the bed for 69, licking and fingering her sweet pussy, this is like a teenagers pussy so nice and tight butt! on to sex then I put a finger on her little butt hole and she immediately asked - do you want to fuck me in the ass! What a great attitude! I just had to say yes! ... shot my load in her ass then relaxed witha great massage, full body, full weight and then Knees in to my back. So good to de stress (I have a bad back and this was fantastic way of sorting it :-). Shakira asked if I would cum again (sadly I do not recover that quick anymore) but she insisted she tried offering me to cum in her mouth... The whole experience was soo good Shakira is a real star who seems to do everything you are just hoping for... and then surprises you with more.. we cuddled up and chatted for a while. Was helped to a shower and dressed and Shakira poured me a drink (as I was not thirsty at the begining) -- left with the great memory of cumming in her cute little ass !
