The Premises:

first time here so was bit worried about finding location and being left standing outside but easy access of main road, buzzer entry at red street door which let me straight into to small hallway then receptionist welcomed me into main area. Felt very reassured, safe and impressed by the welcome

The Lady:

What can i say but WOW!! . Angela looked amazing, totally lived up to her photo's. Very fit, great physique and very attractive.

The Story:

This was my first time so had initial nerves, but the nerves went as soon as Angela walked through the door. She made me feel fantastic with her gentle approach. Very tactile, very sensual and very skilled. Was an amazing experience. Definately chose the right woman for my first time and can't wait for more.
