The Premises:

Her apartment is clean and closer to the tube. The area is nice, average inside.

The Lady:

She's a beautiful smiley cute young girl in her early 20s.

The Story:

Actually she looks much better than on the pictures, specially without much makeup. long dark hair, very sexy slim body with a fantastic olive skin. small brest but with perky nipples... beautiful long legs and nice brasilian bottom. she's funny and talkative with her particular sexy voice. she offered me a shower, a drink and lots of sweet FK...

I won't go into details but can say she's willing to please (with a very good oral skill) and very reactive when stimulated...

I had a great time with her, she gave me a very lovely GFE.
