The Premises:

Nice, fairly quiet street and not, as is usual, in a large block. Safety is not an issue. Very individually laid out flat - subtle disco lighting with mirrors. Also, it is very clean and feels comfortable and cosy the moment I step inside.

The Lady:

Everything about Nana is natural; on a physical level as well as her personality. I love her smallish, natural breasts with the most amazing nipples you will ever see. She's not skinny, but slim with just the right curves and wonderful thighs, bum and pussy; makes me wish I'd been born with 3 pairs of hands. She is very cute and has a very cheeky, naughty smile. In essence, my ideal woman.

The Story:

This is my second attempt to write a field report - I obviously messed up last time, but I promised Nana I would give it another go. I've lost count the number of times that I've been to see Nana over a long period. She has made punting the easiest thing in the world for me; no need for searching and disappointments; whenever I'm in the mood (always, it seems) and have the time and funds, I just call Nana and she provides the best possible time I will ever have with a woman. No need for details of her service as they are well documented generally, suffice to say that she is out of this world. Wow, as I write this, I'm struggling to keep the laptop on my lap (hee hee) - time to call Nana again methinks.
