The Premises:

safe, secure town house near centr of Milton Keynes (opposite Next store) plenty of cheap parking but ensure you pay at the NCP machine or you will get a ticket

Room was very clean and nicely furnished

The Lady:

about 5'7, long black hair, wonderful smile, small boobs (but very sensitive), long legs and a bum nearing total perfection

The Story:

selected Izzie on a whim and turned out to be a great choice...requested a prolonged session of gentle oral and she delivered in style...made full use of the mirrors to fully appreciate Izzie at "work" and i will long remember her comment she could do this for hours as she loves giving pleasure...i believe her

Popped on the cover and had sex in the usual positions, i will never forget the pounding i gave her in doggie, whilst pulling her hair and spanking her magnificent bum and feeling her get warmer and wetter by the second

All services delivered with a beaming smile and apparant genuine enjoyment...next time i am going for the 'A' on offer and this will be soon
treat her right, she is another gem
