The Story:

A very pretty girl in her early twenties. Lovely face and looks as good as her photos. Estela was very friendly and chatty and made me feel relaxed and comfortable. Even the way she spoke was sexy and her eyes were a real turn on but the best part of her was definitely her huge tits. She did give me a sexy massage to start but I turned over so I could look at those sexy eyes and breasts! Estela gave great oral, nice and deep. I couldn't wait to enter her lovely pussy. She felt amazing and was clearly enjoying me doing it to her from behind. A great hour and I will be seeing her again soon.
