### The Premises:

Her place is clean and tidy in deepest suburbia. Near Apex Corner, great if you are driving, maybe 15 mins walk from Mill Hill Broadway, taxi/bus needed from Edgware or Totteridge tube. M used to be in Hendon. Her room has en-suite.

### The Lady:

Monika is EE, 6 feet-ish, medium build for her height, B-cup, shoulder length dark hair, not a "pretty" face, but I think sexy, even beautiful, when she ties her hair back ready for action, and the bone structure of her face is more visible. M does not display pictures at the moment for discretion reasons.

M does not really go in for sexy clothes, typically she starts with a very small thong.

### The Story:

I normally pay ?80 for 45 minutes, + ?20 for OWO (and CIM if you want). I used to come twice (no problem for M) in an hour, but its too much like hard work now.

M's speciality is deep throat OWO, and she is the best I have experienced. She also loves receiving RO and usually seems to come. She is enthusiastic about sex and her kissing can be very passionate/fierce. I think A-levels are on offer, (for extra) but her mouth and pussy keep me happy. She does domination at ?40 more - I tried a taster once and thought she would be quite scary if she tried, I've never gone back there.

I have been seeing her now and then for 18+ months, and always love to see her again.
