### The Premises:

Clean and cosy flat just around the corner from the Olympia Convention Centre. Lots of convenient parking meters in the area. Nice area and I felt very safe.

### The Lady:

Gorgeous blond lady with startling blue eyes and a delightfully toned body. Speaks flawless English with the hint of a very sexy accent.

### The Story:

Having seen the pictures on her website, especially the PVC and latex, I really had to see this lady. She was very helpful and friendly on the phone asking me what my interests were and if there was a particular outfit I would like to see her wearing for me.

Upon my arrival I was delighted to see Sylvia was wearing the pink PVC outfit with the black thigh-high boots as I had requested. She looked stunning and I was immediately aroused. Having taken care of the paperwork Sylvia offered me a shower, after which a chilled glass of white wine was waiting for me. We chatted for a few minutes while I chilled on the wine and then with a very saucy smile Sylvia asked me if I was ready for some fun as she took my hand and led me to the bed with the big mirror perfectly placed for a good view of all the action. After some very passionate kissing, Sylvia, slowly removed all my clothes revealing my now engorged cock which she started to slowly lick and then take the full length right down her throat. Pure bliss. We then moved on to have some great sex in different positions on the bed. It was great watching it all unfold in the mirror. Felt like I was in my own private porno movie!

We spent a few minutes chatting at the end as I finished my second glass of wine. Great punt and I would highly recommend this sexy and passionate lady.
