The Premises:

Discreet Oriental shop near centre of Harrogate, terraced basement flat. Clean and tidy, reasonably safe, parking a plenty on streets nearby.

The Lady:

40 ish, Chinese, average looker, long hair, nice tits, hairy slack gash, English not perfect. Uninterested, in a rush and reluctant (although not when it came to putting the cash in her bag). Not a bad body, bit of flabby bits here and there, probably had a couple of kids.

The Story:

Been here before and had some real crackers, but this was an exception. Started with a brief massage before some oral with, then shagged in mish and doggy before completion by hand. Her snatch was very slack like pinning the top of a wellington boot, she applied liberal amounts of lube which made it even worse. Oral technique was poor and her handjob was quite energetic and far from sensual, treated my pecker like a sauce bottle.

Overall a 3/10 service, quite poor. Only spent 15 mins on the premises when I had paid for 30 mins. I was glad to get dressed and leave as all enthusiasm had long evaporated.

They do change the staff weekly at this shop however but I'd avoid this one.
