The Premises:

Very easy to find discreet house in a quiet road near the centre of Milton Keynes.

Clean and tidy bedroom which was absolutely huge! Apart from the large bed there was a sofa and armchair, so we didn't have to confine our fun just to the bed.

The Lady:

Very beautiful and petite, ultra sexy girl with a great figure, soft skin and lovely sparkling eyes. In addition, perfect English and very easy to talk to and hold a conversation with.

Pixie is a girl that is well worth getting to know since she is intelligent, very friendly and has a great sense of humour - I could go on, but I think you get the message by now!

The Story:

I've seen Pixie a few times now and genuinely feel that she is pleased to see me (and I'm certainly pleased to see her, if you know what I mean).

Pixie helped me to undress, I returned the favour, then we started the afternoon's entertainment, which included sex in multiple positions, reverse oral and oral on me - it doesn't come any better, trust me. We also made use of all the furniture in the room (OK, not the wardrobe, this time), which makes a change from just using the bed.

It was a beautiful day outside (the first day of Spring perhaps?) but nowhere near as good as it was inside!

As always, the time flew by, but no reminders from Pixie, just me not wanting to take advantage of this lovely girl (except in the carnal sense that is).

Visit again, of course, already booked in fact.
