### The Premises:

Ok area, quiet enough during the day. Public enough to feel safe but not too exposed. If the pub opposite was busy in summer, you wouldn't want to be kept waiting outside for long (as i was)

### The Lady:

Some artistic license on the photos on the site. 5'7-8, brunette, slim and tanned, C cup, shaved. Hygiene good, but tea breath.

### The Story:

Kept waiting outside. Then waiting in the room for what was probably only 10 mins, but still. You plan an hour, and you're on a schedule. Don't keep me waiting.

There's good and bad experiences with agency girls and this unfortunately ticked a lot of the bad boxes.

Misleading pics: Girl a few notches down from her photoshopped pics, maybe to be expected but still - starts you off disappointed.

Not GFE: a subjective term - but this was far from most people's expectation. Cold and brusque, partly language barrier (Hungarian maybe?).

Told 10mins in, cum and go, only 1 pop! Had to negotiate mid-flow that I would get 2 finishes - surely the hour is mine to do with as I please?

FK listed but absolutely wasn't on offer (and I'm a regular guy - maybe even a 7/10 if the right girl has drunk enough)

Regrettable punt I'll chalk up to experience.
