The Story:

Loved it. I promised both Trinity and Dita that this will be the best review ever. However Galahad does not want me to write a novel. Please note that I have written several field reports, some bad and some good, and I can honestly say that my experience with Trinity and Dita was the best ever. I again say best ever. The way that they make each other wet is a sight to behold and a joy to experience. I only wish HOD will always pair them together.
