The Premises:

The street is in central Nottingham. The apartment would have been nice if the girl who have been there previously had cleared up. As it was, there were soiled socks and rubbish bags on the floor and no drinks available.

The Lady:

Rio is a slim, attractive brunette with Mediterranean looks and very young. She is the girl listed on the wesbite named Rio.

The Story:

I booked to see Nadia and had expected to see her. But Rio pretended that she and Nadia are the same person. It is clear from the photographs on the website that Rio and Nadia are different people. At the time I was not sure, but having looked at the site again I am positive I was fobbed off with the wrong girl. Rio was quite surly and unable to make me relax. She obviously felt very awkward. She obviously fancies herself and seems to think she does not need to make the effort. Also, she spent quite a bit of time on the phone arguing with her boss over the state of the flat. A pretty rotten experience all round and I won't be using this agency again.
