### The Premises:

This is based in Green Lane in Ilford. Its not the most salubrious of areas, but as you will see from my report, its well worth the trip.

Its about a 10 to 15 mins walk from the town centre. Unless you know the area, I would recommend going by train, as traffic and parking looked difficult to me.

### The Lady:

Although this was only a massage and happy ending, Niki is absolutely gorgeous. She looks nice on her picture on the website, but is more stunning in real life. About 21, slim, with the most amazing eyes.

### The Story:

This place is a real discovery, so thanks to the guys who posted details on the sensual massage forum. As I mentioned, its well making the hike to Ilford and beyond. The value is fantastic - ?30 for 30mins. I received a lovely welcome, and was offered the choice of three girls. I was immediately offered a drink, and then left to disrobe. The room was lovely. Warm, with soft lights and candles, and proper massage table.

Niki asked if I wanted soft, medium or hard massage. A lovely little touch was a warm towel over my feet - its attention to detail like that which marks superb customer service. The massage was fine, gradually getting more sensual. Niki had a nice gentle touch - even more so when I flipped over. She gently teased my cock, rubbing and smiling with a cheeky glint in her eye. Then she increased the pace, to bring on a very happy ending.

I then took a shower in a beautifully clean bathroom. I was given a smiley goodbye, and went on my way very happy. This place deserves success as clearly they are doing everything they can to make it a great experience. I will be returning very soon.
