The Lady:

What can I say, the sight of Karry in her underwear and naked on the bed is truly amazing. She has breasts to die for, 38ff, they are so large and really firm. Right from the start she makes you feel special and that she is there to please you. also she has a wicked sense of humour and a great personality. You could not not help but like her when you meet her.

The Story:

On arrival Karry opened the door wearing sexy underwear and a short see-through blouse. As Karry commented later there was no greet & meet it was lust at first sight. Was offered an orange squash and had only sipped it when Karry was all over me, and I wasn't complaining. Within minutes we were on her bed and what followed was the most amazing first hour of lust & foreplay I have ever known. We went at it hammer & tongues, (D.F.K.) is a Karry speciality which she is olympic class, gold medal for sure!!! Sucking and playing with her amazing 38ff breasts will stay with me forever, plus oral both ways and fisting completed the first session. After a drink and a chat we started round two of lust & sex, Karry in cowgirl mode is a sight to see as her breasts bounce from side to side & up and down. Karry is a gem and real fun to be with and is expert at giving the real G.F.E. experience to her gents. I will definitely see her again, thanks Karry for a fabulous date xxx
