### The Premises:

Clean fit for purpose apartment, close to the theatre district. Parking was by meter.

### The Lady:

Stunning blonde in mid 20's. Tanned and toned, very long legs, great pair of firm, large, breasts. Lucy has a very pert arse, shaven navel and deep welcoming eyes. She greeted me in all in red underwear and the obligatory very high heels.

### The Story:

Accepted a shower and soft drink before getting to know Lucy a little better. She kisses most passionately and with enthusiasm and in no time we were both naked on the bed. Lucy lay back and spread her long legs wide to allow me full access to her very lickable pussy which she seemed to quite enjoy. Lucy turned her attention to my cock and gave me a memorable bbbj combined with tea bagging and some anal play which brought me to the brink. She suggested some 69 and how could I refuse and after some lengthy sucking she took a full load in her mouth. We chatted and cuddled for a while before some more OWO from Lucy got me hard again so on with rubber and sex in cowgirl and doggie before my second cumming in mish with those long legs over my shoulders. What a way to conclude a memorable hour with an extremely friendly and very sexy young lady.
