The Premises:

Ground-floor flat in one of best parts of south Redditch. Quiet and discreet, with good dedicated parking. Good decor and nice bedroom. Felt very safe.

The Lady:

I knew Vicky around 15 years ago, long before I ever started filing FRs here. She went out of circulation and moved around a bit, I gather; so I was very pleasantly surprised when, out of the blue, she 'phoned me to say that she is now very much back in business.

Obviously she is older now, and she's filled out a little, but she's still gorgeous, especially in the tit dept. (40F natural). Vicky is definitely all-woman, a veritable MILF-next-door, a woman who gives great GFE, including DFK and OWO. She is really warm and cuddly.

The Story:

For the moment, Vicky can only do in-calls (she does an hour for ?120); and - this may be of interest - she is genuinely bi, and will take bookings from couples. I had a great time playing with those titties, and we fucked in mish before I shot a load over them. She might even have enjoyed it herself, 'cos she became very wet very quickly.

Be clear: Vicky is not for those who wish for young boyish-figured girls, but is absolutely ideal for those who, like me, want experience, warmth, good company and a good handful!

It would be impossible to over-recommend this woman. Treat her well -she's very much worth it (and, as she said to me, she takes pride in doing her job really well).
