### The Premises:

The stairs up to the flat are unpleasant and the flat isn't that nice. Worst thing is that there's a pub opposite where at this time of day people sit outside. They know what you've been doing.

### The Lady:

Rebecca is the prettiest girl I have seen in Soho. She is short with a nice all over tan. She has smallish pert breasts. Her hair is brown with streaks, is straight and about shoulder-length. She looks young and innocent. She has a scorpion tattoo near her hip. She is from Lithuania.

### The Story:

Rebecca had been recommended so I thought I would try her. I was expecting the usual type of girl in Soho, too much make up and a fake tan. I got a surprise when Rebecca walked into the room. She is lovely young and innocent looking. I opted for a handjob and I lay on the bed. She got onto the bed with me but with her sexy bra and knickers still on. I asked her to take them off and she did, she said she doesn't usually take them off if she's only doing a handjob.

I talked to her and asked her about the uniforms she has. According to the sign they cost ?10 extra. I asked her if she has a school uniform and she says that she does. Next time I think I will ask her to wear it. She is a delightful girl.

She works at 1 Bateman Street two days a week and round the corner at 52 Greek Street two days a week.
