The Premises:

Small 2 star hotel, part of a small chain and the room was located on the ground floor. Simple access. Good room and bathroom and was ok. Helpful receptionist called Peter.

The Lady:

Small build, size 6, about 24 years, gorgeous Indian woman. When she took her clothes off, lovely curves and jaw dropping beautiful. Long black hair and soft spoken.

The Story:

This was simply grand. She gave a soft introd massage and i returned the favour. then kissing (we seemed to click really well) and she went down for BJ - without. Simply great. On with jacket and she did some different positions and she came and so did I in a little while. Loved exploring her soft smooth body and she liked my strokes too. Discovered that X indeed marks the spot. Missing you already, great smile on face as i write this.
