The Story:

I was browsing on the 'other' site when I happened to chance upon a lady I saw last year (blonde, young, good figure, in a bikini) and, wishing to repeat the experience, decided to call and visit her. As above, directions were good and communication was ok. But, when I arrived, she turned out not to be the lady I was expecting. I should of walked there and then, but the old chap was now my brain, and he didn't want to go anywhere. I decided to just get a BJ, although it was enjoyable, it was not the experience I was after. Gents BEWARE, I believe this is called 'bait and switch'.
