The Premises:

A few doors down from a off licence on Gray's Inn Road. I'm always apprehensive but it was very safe in the end. The flat itself was very well furnished, clean and fresh smelling. You could not ask for more from a place. Wonderful setting for adult fun.

The Lady:

She's young, fit as hell. A lot of times you look on other sites for Chinese women. They will look gorgeous online but when you turn up you get the dregs. Nothing could be further from the truth here. She has no kids, firm natural breasts, tight arse.

The Story:

This was a body to body massage appointment. As with previous reports, sex is available for ?60 more but the idea of paying for someone's holiday while I can't make it to Butlins seems wrong. At the time I thought this was a rubbish massage but based on what I experienced a few hours ago (see other report if Admin puts it up) this girl was very very good. She worked my body like a snake charmer and eventually got me to explode in a manner that would have made Guy Fawkes proud. I would love to grind her but I think its all too expensive so I recommend but will not return.
