The Premises:

A nice flat in a safe area. Room was nicely laid out. Clean linen towels etc.

The Lady:

A beautiful lady looks exactly like her website images apart from her hair - which was short silver coloured but does change! A pert pair of breasts with nice big nipples nicely matched by a pert bottom. She is shaved. A beautiful image that brings a smile to my face now.

The Story:

I enjoyed this lady a few years ago and have been lucky enough to find her again. She started by giving my body sensuous strokes all over while I did the same for her while also enjoying her nipples. I hope we both enjoyed the session of oral on her I know I did! She seemed wet after I licked and fingered her. I was by now gagging to fuck her but she takes her time. She gently massaged my cock with oil gently blowing on it. She covered me up and proceeded to suck me until I was ready. We tried several positions before she rode me to my climax filling the condom. It was wonderful. Then the best bit ... she slowly removed to condom and gently cleaned me up before passing me some wipes. The whole session was no rush no pressure a really change from younger girls.

This lady is a diamond I hope she become popular but not too popular to stop me visiting again soon.
