### The Premises:

A very discreet flat about a 10 minute walk from Old Street tube station. It is very modern and clean.

### The Lady:

Kyrah is a tanned, dark haired East European girl with a firm 34D chest.

### The Story:

This was a very business like, no frills session which consisted of covered oral and sex in the doggy position. During my session I could here voices from outside the room which suggests there may be other girls who share the flat.
