The Premises:

Ladybirds - always welcoming, all 4 girls who were working were available.

Only drawback is benches instead of beds, but this has always been the way at Ladybirds so no major problem.

The Lady:

Melanie caught my eye as soon as I walked in. My type, more mature but with a body to die for (girls half her age would be proud). Blonde, great firm tits, lovely arse. If there was a Melanie in every parlour the world would be a good place!

The Story:

A superb 10/10 session. Nice massage to start with. Myself and Melanie hit it off straight away, she definatly knows how to put a man at ease. Sense of humour and honest, she admitted she loves sex which is a bit of a plus in her line of work.

Onto the session then which included the best covered blow job I've had....at times I thought she had removed the coat. Lots of intense ball licking as well. Then onto me going down on her....wow, she loved that and she nearly fell of the bench when she came. Back to he sucking the old man before mounting me for the main event. A great site having such a goddess riding your cock. Couldn't hold on much longer and filled the bag with gusto. Loads of snogging throughout a real GFE with a lovely lady, please treat her well guys. Melanie, can't wait for my next visit x
