### The Story:

this is the third time I have been to this location and each time the visit has been worth it. The girls are always Polish and always acceptable in looks. At first I thought she was the maid but after taking money from me and taking her clothes off then I knew it was her I was seeing. I asked her if I was the first that day and on replying yes, asked if I could make her cum. On licking her for 6/7 minutes I think I got my answer. Bed was a bit noisy and so was she. Wanted to cum in her mouth but then she said no so finally got rid of my horniness all over her. Happy in my days work
