The Lady:

It's been a while since I have used 00-44 and it's good to know Pat still delivers and remembers his old customers. These days value for money is important and I so hate duos or dates where the action is mechanical and unreal. Unfortunately this is much the case in London these days. Both ladies were as described and even nicer as their fun personality you can't pick up from a website.

The Story:

Putting it crudely this was a real threesome with fingers and cock just about everywhere. If that wasn't enough the banter, fun and chat through the session was amazing. Both Sophie and Laura have gorgeous bodies and we made sure we explored them in every detail many times over. Both girls kissed deeply and softly both with me and each other. Watching Sophie's fingers at work on Laura's pussy is something that I shall remember for a good while. I fact if it wasn't for the fact that the stock market has left me a bit short of late I would be back tomorrow.
