The Premises:

A 5-10 min walk from Bayswater Quensway tube stations. Lots of hotels, so always busy. A nice clean modern single room in a small serviced block, with code entry. The room is located on the top, via stairs or lift.

The Lady:

A little skinner than her photos dipict on her profile, a size six & about 5'6" originating from EE. Very small breasts, with not an inch of fat to her frame. Lisa has the most haunting eyes in a sexy kind of way which you can not pick up on from her photos. I must mention her beautiful hair, recently cut but never the less very nice. Cigarette packet seen, not detected on her breath or the the furnishings.

The Story:

A little mix up on the time, but she let me in! When Lisa opened the door she was dressed in a small black dress & heels. To be honest we both had that stunned rabbit look of being dazzled by the head lights of the oncoming car.

Chatty, never met a 'girl' like her. I quickly took the shower option, whilst she waited on the bed.

Kissing, DFK, owo all followed naturally one after the other. Her oral are good, with lots of eye contact & spitting. My fingers were allowed to touch but not venture inside. Being the gent I did not question & later Lisa share she was coming to the end of her period. (we discussed period play & she relayed this is when she is at her most horniest)

As soon as I asked if I could come twice, she agreed, I popped in her mouth & that was the end of me. Lisa made a valiant effort with a few minutes to go to bring me back to life, but it was just too soon.

Oh well, a very interesting girl who shared some very private details. Her regulars of which I assess to be many will love her for her openness & I'm sure she serves them well giving them exactly what they want, RAW sex. For me I'm still undecided, I like a little more physical intimacy rather than chat.
