The Lady:

I think the website photos are her. Certainly great figure. I think more attractive in the photos, but a good looking girl. Slim, toned, great legs, all natural, great bum. Lovely long hair. Half french but no accent as brought up in Manchester.

The Story:

My experience of this agency has not always been great, and always suspicious of reviews. However, decided to give this girl a go. Asked her on phone about FK, which she said would be extra ?20. I balked and she said if i was nice she would consider FoC, which she did in the end. Very freindly when she arrived. Dressed nicely. Very sexy. Took me into the bedroom. She had me hard in seconds just by kissing me and holding me close. O with which was good. Gave her a massage and reverse O which she seemed to enjoy. Sex in mish for quite a while with a great climax. She did leave early which always slightly grates as like to cuddle in bed. Overall, and for this agency, a good experience though.

whether she would be like that to every punter though I can't tell you!
