The Premises:

Well known. Went into a room I hadn't seen before down a spiral staircase that Chanti did well to manage in her heels. Could adjust lighting and had good shower and comfortable bed.

The Lady:

Curvy, very attractive black lady I had known a couple of years ago in Birmingham and finally got to see again. Works elsewhere too so perhaps use 07853 362296 to check out her location.

The Story:

Really pleased to catch up with Chanti again and she looked great.

She also recognised me which was a boost and we were soon catching up on everything.

That meant we easily slipped into cuddles and stroking and so on and moved seamlessly through various intimacies.

Chanti is suprisingly willing to look after a client's welfare so the oral went on and on and I let it as she is great at that.

But then came the sex and we stayed in mish as we were both enjoying that a lot.

Altogether a smashing time which was helped by us knowing each other from before but I am sure anyone with a pleasant manner will also get a great service from Chanti.
