The Lady:

This girl is hot! Lovely natural boobs, really an E size as advertised on the web site, nice firm ass and a sweet baby doll face. Really pretty, young and fresh look.

The Story:

Thou I arrived at her place a little bit late, she greeted me with a smile and made me feel very welcome. Her English is not very good but that wasn't a problem, as her gorgeous body made me think only about getting to action.

She made a lot of eye contact while giving me a first BJ. Sex followed and she actually seemed to enjoy it. Than we had a brake, she offered me a drink and gave me a few minutes of massage. A secound session followed, took her from behind this time and I must say that the image of her firm arse made me cum sooner that I expected.

Amy is really keen to please, she offered me a relaxed and unrushed service, really hot experience and I will go back for sure as soon as time allows me to.
