The Premises:

Sarah operates from hotels in the Redditch area

The Lady:

Sarah is an older lady (I'd say 40s) but is still a handsome woman, slim, elegant, intelligent and very friendly

The Story:

I have seen Sarah three times now and there seems to be no limit to what she offers. I have enjoyed anal, OWO, the most passionate kissing and much else. Sarah offers bareback to those who want it. There is no additional charge for anything.

Being in hotel rooms only adds to the excitement of seeing Sarah as far as I'm concerned.

Sarah is by no means a typical working girl - she has a day-job and seems to fit in a bit of punting when she can. But boy is she horny. Her advert in a local paper says she offers the ultimate girlfriend experience but I have never had a girlfriend who does what Sarah does - much more of a porn-star experience.

The only drawback of the above is that Sarah can be difficult to contact and to arrange to meet - visits to her have to be planned and she has occasionally cancelled. But well worth it in my view.
