The Story:

This was the second time I have seen Vanessa but the first since she turned independent. I made a complete hash of things having booked to see her at the end of her working day (she finishes a bit earlier on Fridays) and then left my phone at home and had no choice but to return home. I phoned when I got home and she agreed to wait and see me when I got back there. I had a shower at her flat and came back into the bedroom to find her lying on the bed in a seductive little number, which just had to go! She started off by giving me a nice sexy massage and then offered to go down on me but I chose to do the same for her first, working my way gently down via her delightful breasts to her pretty little pussy to which I gave the best of my attention for a while, to her evident enjoyment. Then it was my turn and I lay back and enjoyed an excellent BBBJ (which she does not guarantee to do as it is very much "at discretion") followed by cowgirl and mish which, to my regret, was over all too soon. The more gorgeous the girl and the more expert her oral, the less time I last, I'm afraid. I shall certainly be back but I predict that she will quickly build up a posse of good regulars of whom I hope to be one.
