### The Premises:

A minuscule flat, but the bedroom and bathroom are clean and tidy. Very easy to find with the directions given by the agency.

### The Lady:

Pretty much as the pictures that must have a small amount of Photoshop, as Marina in person is more natural and, in my view, more attractive. I suspect she is in the mid to late 20's, even though the looks are of a girl in the early 20's. She is very pretty, fit and toned, her skin is beautiful, and the body is perfect for my liking. Boobs are enhanced, and look good, but I can't help thinking that she would be even sexier with her natural attributes.

### The Story:

Perhaps one could do better... but not much! A very polite, friendly, charming and attentive woman, that reminds me of why I find it so difficult to leave this hobby. I got there at the arranged time, but had to wait a bit as I suspect the agency didn't give her enough notice. I was let in by her room mate, and that was a bit awkward as he was clearly having a rest. Not a good start, but once Marina came to fetch me any doubts I might have had disappeared. She made me feel comfortable, and clearly wanted me to have a good time, and I sure did. We didn't do anything too adventurous, but OWO to CIM was superb and the few positions we tried were very enjoyable, and I climaxed with a first class Cowgirl. I can recommend unreservedly.
