The Premises:

Well documented MKE flat. Clean and nicely decorated. Ample free parking right outside. At 7:00pm on a Friday night, "like Piccadilly Circus" to quote Kiera. When I arrived all the rooms - and bathrooms - were occupied. But somehow the maids juggled things to avoid any punters meeting each other.

The Lady:

Very pretty slim girl. Pictures are accurate - but she's even better in the flesh. A couple of small tattoos.

The Story:

MKE was busy tonight... I was left waiting for a while and almost changed my mind... Wow, that would have been a mistake. What a wonderful half hour, the perfect start to the weekend. I'm a very nervous punter, but I've never felt so relaxed with a WG. A real GFE, if your girlfriend was gorgeous and happy to do almost anything to please you. No need to go into details - you had to be there - but whilst this may have turned out nothing like the punt I'd planned and expected, we had an awful lot of fun. We were both laughing out loud by the end, and the kisses as we parted (she's a great kisser) were tender. I will be back, very soon.
