Tall, slim, enhanced bust, vibrant red hair colour and a vibrant personality.

The Story:

It's been quite a while since I've been down to the Gallery but I was lucky enough to see Taylor on her very first day of working at the Gallery. She looks way, way better in the flesh, so to speak, than she does in the photo's. I'm sure I'd get better images myself, if I could keep my mitts off her long enough! We eventually managed to get the Jacuzzi going (a bit high tech for me) and I was soon relaxed. Next over to the bed for a gentle bit of pampering and massage for both of us. She was a bit ticklish but she was an absolute joy to spend an hour with and I'm really looking forward to a return visit.
