The Premises:

Location is a basement apartment within close walking distance of Earls Court Tube Station. Easy to find, discrete accessibility, safe area. Receptionist very friendly and helpful. Bath/shower facilities, drinks offered. Very well equipped room for BDSM activities, but doesn't give the impression of a "dungeon". Wide range of equipment, toys, implements, costumes. Very clea.

The Lady:

Kate is a tall brunette, long hair, slim and well toned figure. Very attractive, well spoken, with a nice smile and beautiful eyes. A very classy lady and a credit to LR.

The Story:

My first visit to LR and to Kate. Kate played the role of "punishment officer", charged with carrying out domination and discipline to a slave sent to serve her. A mix of pain/pleasure ensued as Kate applied various toys, strap-on and punishment implements, making full use of the Cross, Spanking Bench, and Bed. Kate led the dialogue and played out the scenario very professionally, creating the perfect mood and atmosphere, leaving no doubt that she was in charge and intent on dispensing correction until SHE was satisfied that it should end. A very enjoyable session, some decent marking, quite hard, but leaving you with that deep and burning desire to return soon for more, and more....Kate has cast her spell and I am now bewitched.
