The Story:

Aw this was just what the dr ordered. Got her number off this site and it took a few weeks to hook up. Turned out she was on holiday but this lassie was well worth the wait. She is gorgeous and sexy and good fun. I don't usually find myself stuck for words but i was tongue tied for the first 10 mins or so but she soon had me distracted. This lassie knows how to please a man...owo, no rush, price included it all. I,m now saving every penny so that i can see her again. I even tipped her and i,ve never done that before....a 'to do before you die' thats for sure Thanks Lynn don't loose touch
