The Premises:

nice house, downstairs is being decorated but otherwise okay. felt safe. she also has music playing to stop the neighbours hearing anything.

not that i thought this was needed but a nice touch anyway.

The Lady:

short about 5'3 ish. 36d breasts (natural) attractive indian girl. very light skin for an indian i might add. she said she will soon be 29. if anything i would take a couple of years off this.

The Story:

prices are ?100 one hour. ?125 for owo. ?150 for anal. i opted for the owo and handed over the money. we started kissing and groping each other. she pulled the top of her dress down to reveal some cleavage, i couldnt help but bury my head between them. she undressed me and herself and laid me on the bed. i sucked on her gorgeous breasts for a while then we continued kissing. she slowly kissed all over my body working her way to my groin where she took me into her mouth and gave me a mind blowing bj to completion and she drank every drop.

we played around for a little longer and i ended up staying an extra hour just chatting. she is a very friendly person and we had quite a few things in common.

she isnt very busy at the moment (i rang half an hour before visiting) but i think this will change coz she is just so nice, and she loves her work. oh and did i mention those lovley breasts?
mmmmmmmm very nice.
