The Premises:

Parlour that has been on this site for quite a while entrance is between two shops or there is an alley at the back . Nice parlour with at least two rooms including showers etc.

The Lady:

Chantelle is a mixed race curvy busty Lady with a ready smile and a very wicked tongue (both in words and deeds). I have always thought she is like sex on legs and get a distinct stirring every time I see her. Apologies but due to her wishes this lady does not appear on the rota nor does she have her photo or description on the site. Due

The Story:

I have known and seen Chantelle for quite a long time . I first met her at Cream a long gone but never forgotten parlour in Chorlton. Then I saw her at Smanthas and here at Indulge . She has been away for quite some time but is now back working every wednesday and doing some filling in on Thursday as well. You should ring to check before you visit to make sure she is on.

Frankly after seeing Chantelle I was hard walking in to the room a shower did not help and when she walked in there I was cock in hand . Her smile and demand of what did I think I was doing was then made funny with her straight on her knees and grabbing my cock . Thats my job was her additional greeting.

I was then subjected to a slow wank while she also licked the tip but I was so steamed up that I asked if I could fuck her face to which all I got was a smile and open wide . Well I could hardly refuse and did what I had been wanting to . Following a period of trying to stop myself from cumming too soon I then had the face mouth and throat kissed off me . Next was oral on the lady followed by a good fucking with her in the doggy position and then a nice slow wank to finish.
