The Lady:

NOT the girl in the pictures, a quick browse on the net revealed that the pictures were stolen from this website <http://www.girlssexypics.com/019-kiss-kara-mirror-mirror/> they belong to a famous American pornstar Kara Kiss aka Claudia Nichols, she doesn't escort, is not Czech as stated on the Eternity Girls website and is based in sunny California, i don't see the point to move from LA to this dump that has become London to work at ?150 an hour.

The Story:

I arrived at her place on time however i was left outside waiting for good ten minutes, once inside i immediately seen that the girl standing before me was not the same that i've booked however the girl that opened the door seemed to nice enough and i was not in the mood to drive down in Kensington to meet with my plan B. I handed the money to the girl and she disappeared for another ten minutes, at this point i already lost interest when, eventually, she reappeared, sadly her attitude was different she was cold and uninterested, claimed that the agency messed up the appointments so i did not have a full hour to stay, decided to cut my losses, got naked and asked for a blow job, it was the absolute worse ever, she sucked my covered cock for about ten seconds then all hands, she pulled it too hard, it was actually painful, i wanted to eat her pussy hoping to warm her up but an unpleasant smell coming from there kept me at distance. I wanted my moneys worth and asked for sex, and again she disappeared to take another condom, i've waited one minute, then two, then four, five then decided to get dress and leave, she came back while i was wearing my jacked ready to leave and seemed well relived that i was on my way out. I've had 18 minutes of her time and waited for about 30 minutes, I called the agency to complain but they didn't pick up the phone then when i arrived home a quick browse on the net confirmed what i already knew, pictures are fake, taken from here: <http://www.girlssexypics.com/019-kiss-kara-mirror-mirror/> i also seen that other girls on Eternity Girls are using fake pictures but i'll leave to someone else with more time to waste than me the duty to report them on the punternet forum. It is strange that Eternity Girls is not on the Punternet hall of shame, it would've saved me ?150.
