The Premises:

This was the second of two bookings. Cherry's flat was easy to find and for my evening meeting I parked nearby. For the daytime appointment I did not drive because her address is near to the congestion zone, in a quiet side street.

I was buzzed into the main entrance and passed easily to Cherry's flat, which is spacious, clean and with a well-appointed bathroom.

The Lady:

Cherry looks like her photos, except that she smiles a lot more than her photos suggest. On the first occasion she was wearing the outfit on her profile page and her hairstyle is just as in the picture. On the second occasion she was wearing a top, microskirt and very high heeled shoes. Cherry is a really gentle, sweet girl, which you might not expect from just looking at her pictures. She is honest, too. I had placed too much money in her donation envelope on our first meeting and she corrected my error.

The Story:

I was 5-10 minutes early both times and texted Cherry who let me in right away, which was great given the freezing weather outside. Thankfully, her flat was warm inside.

On both occasions I briefly used her shower before and after our meeting.

Our sessions were completely relaxed, with some memorable kissing.

I felt that we clicked really well and there was quite a lot of laughter. Cherry said that I was most welcome to return, which I am sure that I shall.

Cherry prefers to see clients of at least 40 years in age and confessed that her oldest was into his eighties.

I would certainly recommend anyone planning to meet Cherry to let her follow her script to obtain the most enjoyable experience. Mine fell into four segments: Tie and tease; me pleasuring her; Cherry playing as cowgirl; and her pleasuring me.
