The Premises:

Have searched Local BBW escorts I did not find much luck. The Lady arrived on time and looked great in stilettos etc

The Lady:

Busty blonde with curves in the right places and an Ass to die for..

The Story:

Without righting an essay- everything was on the cards obviously excluding BAREBACK guys.. Reverse oral, her oral is to die for- CIM etc

The ultimate GFE and Scarlett is horny as hell when aroused.. I cannot wait for the next time I meet her.
