The Story:

This was my first visit to Annabellas, so I was ridiculously nervous about it. I needn't have been, Mei is a lovely, chatty, friendly girl who put me right at ease as soon as she walked through the door.

After paperwork was sorted out, we started with some delicious light kisses, before she undressed the pair of us and proceeded to demonstrate her wonderful oral skills on me. We then naturally moved on to the 69 position, giving me a great view of her amazing bum! Then we moved on to her riding me, before I finished off with her doggy style. We then chatted for a bit before I reluctantly had to go, though at no point was I rushed in and out of the door.

All in all, an amazing first visit to Annabellas, an establishment I will most definitely be visiting again...especially Mei! The whole experience was natural and unrushed, I thought Mei was particularly good at helping me overcome my first time nerves.
