The Premises:

Fairly exposed area, but safe enough in the day time. Good parking, but wouldnt fancy it in the dark. Room was clean and tidy

The Lady:

As described on another site. Pretty with dyed hair, nice full figure, no stick insect, but not really a BBW

The Story:

Potentially a lovely girl, but a shocking service, i dont think she said one word to me other than to ask for the money. Only had time for 15mins, and thats exactly what i got! I had no idea of time, next thing half way through some oral she stands up and says thats it, time up!! I hadnt even cum... when i complained was treated to a volley of insults and threats.... Avoid would be my advice
