### The Premises:

As described numerous times, place near Staples with a well worn path leading to the front door.

### The Lady:

Tall, slim, very attractive, two toned hair colour - bottle blonde on top and brunette under, shaved between the legs, medium sized breasts, certainly looks no older than her reported age.

### The Story:

Charlize has been on my must see list for several years but difficulties synchronising her availability with my desire to do the long tedious trek to MK meant that I only just managed to catch up with her.

Boy was it worth it. Greeted with a passionate kiss which increased in intensity as the session moved on, top quality owo, intercourse in a variety of positions, finished by mouth though no cim. Quality GFE overall - she's highly enthusiastic. 30 minutes was not long enough.

Well recommended to milf lovers.
