The Premises:

Blue Ice has been reported on numerous times, so no need to go into details, except to say the lift is always a joy!!

The Lady:

Small but perfectly formed without an ounce of extra on her. Small boobs but in perfect proportion to her body. Site says she is 20, I have no reason to doubt that as she definitely has the body of a 20 year old.

The Story:

I had originally gone with the intention of seeing Tiffany as I had been intrigued by her profile on the site. However due to that fact that she was busy and wouldn't be free for 10-15 mins and after seeing Suki I decided to go with Suki.

This was a good decision as this girl is a gem very responsive and accommodating to what I wanted and did everything very well.

Started off with a bit of kissing and mutual fondling, following by a good session of reverse O which seemed to get the desired response then I had the benefit of her excellent oral skills, a bout of cowgirl followed and all finished off with an oily wank. This was an excellent GFE with never a hint of anything being off limits.
