The Premises:

Modern gated complex key coded and door key coded so safe. She is in the better end of her street. Parking nearby, and think bus station also nearby. I went to Coventry by train and instead of 20 min walk, took a taxi only a fiver. At this price I could afford it!! flat modern and clean.I had a shower there.

The Lady:

Attractive ,tall, eastern European girl with pleasant personality, lovely smile, lovely natural Bristols! Couldnt be better think we clicked and went over time.

The Story:

Very eager to please, and in no hurry . No DFK but lip kisses. She knows how to use her boobs and hands on your back and front. She is Very tactile. Covered blow job then 1st round with her on top, then a good massage, followd by the same 2nd round at my request. I was worried beforehand about price being too low, but was an offer and very good value.
