The Premises:

The usual place..Ain't the Hilton, but it is OK...

The Lady:

Slim, tanned, probably in her early twenties..Size 32C probably...Says she is Italian...But who cares...

The Story:

Well, her massage was just a rub on the back....counted as nothing...but again who cares...we are not there for the massage...Then we rolled over, a few kisses on the body, but she declined to have on the face..Then she started the covered oral, which was normal and she had no technique..then i climbed on her, and i finished within 5 minutes. The thing is that her pussy was slippery, don't know if this was because of the KY Jelly...Good Value for the money tough..
